

NOMAD[®] PRO

Tabletop Stand

It's Clear ... Convenience Never Looked So Good!

The **NOMAD Pro Tabletop Stand** provides an attractive, safe way to store the NOMAD Pro on any tabletop surface. Made of transparent, medical grade plastic, it's rugged, it stays where it's put and it provides you a convenient place to routinely secure your NOMAD Pro.

Talk to your dental equipment specialist and learn how the NOMAD Pro can save you money and time while reducing x-ray dose exposure for your patients and your staff.
